The Statistician shall submit all of the team rosters to S.P.O. electronically. This modification has been added to the Constitution..Item 1.6.

6. Season Schedule: Ken Johnston handed out copies of the final schedule.

7. Umpires for 2010: Doug Fulcher proposed that we reimburse part of the carding fee for each umpire. After some discussion, the group eventually agreed to defer the idea to a future meeting. Doug also re-confirmed the duty dates for each of the umpires as per last months meeting.

ie: Barry Cox: "B" diamond on Sundays and Wednesdays.
Derek Morley: Wednesdays in Harrisburg.

Lyle Fair and Ed Loder to alternate on "A" diamond on Sundays.

8.1 Format for the game "Attendance" sheet: Jason Gambacort hand out a draft idea for a game "attendance/score" sheet. We reviewed and accepted the format which shows each player on the team...Present or Injured, as well as game score and umpires name etc.

8.2 Jason also produced a draft of a "Team attendance" sheet which shows a game-by-game registry of each player's attendance. We agreed that each team shall complete a game attendance and score sheet and hand it to League Executive member, who should be present at each game. The Exec. member would then take/send the sheet to Jason. Thanks for the excellent work Jason!

9. Golf tournament: Rick Barnes...has checked with Oakes of St. George and Brant Valley. Saturday Aug. 7th is available at Brant Valley. We agreed that Rick should tentatively book the date. We agreed to send at least 8 golfers per baseball team. Last month Steve Ferretti said he was willing to help with the tournament. We also discussed a possible banquet idea, as well as donations of prizes.

10.1 Constitution update: John Pacsuta: Three changes were made to our Constitution this year so far. These changes were reviewed and will be finalized in our written Constitution. John will forward the Constitution to Jason for inclusion on our website.
